

# The Studio at Cherry Lane Theatre

## House Rules:

1. **FIRE EXIT:** The fire exit may not be blocked at any time and three feet must remain clear in the aisle leading to the fire exit ( the fire exit is the main entrance of the studio).
2. **Front Door Safety:** Once your stage manager or producer arrives, you may stay in the lobby and let in the actors and other members of your staff. *Do not* prop the door open at any time! For your own safety and others, do not let in persons not involved with your production. Let them ring the bell at the stage door and a Cherry Lane Theatre Staff member will answer the door.
3. Smoking, Drinking, Food - There is no smoking at any time in any area of the Cherry Lane Theatre. No food is permitted in the theatre at any time. Only water may be brought into the theatre, however care must be taken not to spill it on anything (especially light and sound equipment).
4. Any facility concerns should be brought to the attention of the Technical director or Assistant to Technical Director.
5. Clean up - Please clean up after yourselves. This includes taking out the garbage in all receptacles in the space and placing it on the street on garbage days. Garbage days are Mon., Wed., and Fri. Friday is also recycling day. At the end of any of these days you must take your trash bags and give them to the house manager on duty.
6. Number of Occupants - The City of New York decides how many people may safely occupy the theatre. For the Studio at Cherry Lane this is 72. This number includes everyone in the theatre, actors, staff and audience. Due to the fire code, no one may block a fire exit and/or sit in the aisles. Do not overbook the space! Any number of people over 72 will not be allowed in under any circumstances.
7. Thermostat - The thermostat may not be changed at any time. Only the Stage Manager is allowed access to it after instruction from a Cherry Lane Staff member.
8. Hours of Occupancy - Mon. 10am to 6pm (during load-in week only) Tues.- Fri. 10am to 10pm, and Sat. 12pm to 10pm. Sunday is dark. Deliveries must be arranged according to our hours of occupancy.
9. Please respect other artist's property because we all share these spaces.

# Inventory

## Light Fixtures:

Lekos		
Lens	Axial	Radial
4x9	17	8
6x9	3	17
3.5x6	1	0
